

USER REQUIREMENTS

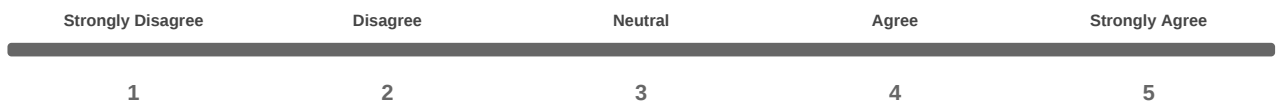

We are designing an mobile app Public Diary. This will help you to write your daily actions in you mobile app in the form of text and voice notes. This will be very similar with another social apps because you can make an account on it.

1 Public Diary is important in our life ?

2 Comment Here On Public Diary App Features

3 If You have Diary in you phone in the form of an app, it will help you ?

4 If Diary Will go online and in public mode, it is bad or good thing for writers?
